Hello Hemla,

I am glad to provide feedback on your engagement with [redacted] as Project Manager – Yammer global deployment.

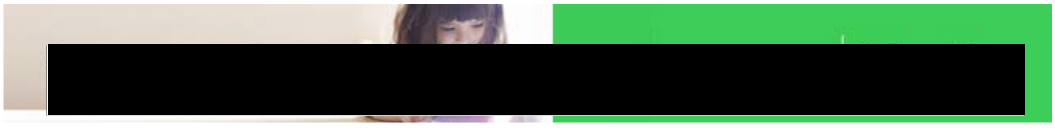

To whomsoever this concerns:-

Hemla joined us as PM for Yammer deployment for 100000+ users at [redacted]. He joined us in the middle of the project wherein she ensured ZERO continuity break in the project lifecycle. She built an excellent rapport with all the stakeholders (internal as well as external) in no time. Her capability to manage such massive project is commendable. With her help we were able to deploy Yammer globally at [redacted] within defined timelines & budget. It was great working with Hemla.

Thanks-
