Hi Hemla,

Thank you for your kind words.

It has been a pleasure working together with you, and I appreciate you stepping up to participate in the API BRG community. You did a great job coordinating and hosting the Diwali event earlier this fiscal year and I wanted to recognize and appreciate your commitment, dedication, and flexibility during this process. Hope that you had a great time connecting with the others in the planning committee, and continue to leverage our API BRG for networking and growth opportunities.

I wish you all the best at KPMG and look forward to keeping in touch.

Best Regards,
